

Verity News and Notes

8th Grade Valediction

Planning is underway for 8th grade Valediction on May 21st at 9:00 A.M. in the Verity Gymnasium. Verity's teachers like to send 8th graders off to high school with a distinguished ceremony to celebrate the individual and group achievements of our 8th grade class. I hope that you will make plans to attend the ceremony. Information has been given to students outlining the details of the event and describing student dress for the formal occasion. Students have been advised that poor behavior may result in being excluded from the ceremony. We look forward to seeing everyone for the special ceremony.

Verity Honors

Congratulations to all of the students who made Principal's Award, Honor Roll, and Merit Roll for the third quarter. We recently held our honors assembly where Principal's Award and Honor Roll students were recognized along with our Viking Best Learning Attitude and Viking Most Improved award winners. Merit Roll students received their awards in class. Over half of the Verity student body received an academic award. High achievement begins with support at home. Thank you for the support of your student and Verity Middle School.

SWAT

Congratulations to all of the students who have been on the Students Who Act Terrifically team all year. Students who have four absences or fewer during the quarter and who do not receive any disciplinary referrals make the SWAT team each quarter. Good attendance and great effort in class lead to high achievement. Be sure to ask your student about the SWAT team and congratulate him or her on the achievement.

Verity PTO

The Verity PTO is in need of members for the 2010/2011 school year. Please contact Dr. Williams at 420-4635 or gwilliams@middletowncityschools.com if you are interested in supporting Verity through the PTO.
